

LEAF designed by Marit Stigsdotter & Staffan Lind 2011

**bsweden**  
belysningsbolaget

Inspiration can come from the most unexpected places. This time it started with a pad of post-it notes lying on the desk. Four pieces assembled became a lampshade that eventually resulted in "Leaf": Formpressed and laminated sheets of wood - floating in space in pure and light simplicity. Bulb included.

	Article number	shade height mm	max diam. mm	Bulb	Flex
